Community

We provide opportunities for our female founders to network and build relationships, particularly through special events where they can share experiences and collaborate.

Talent

We believe in the importance of role models. Through our gender-balanced academy we can pass on knowledge and experience from diverse female representatives.

Media

Representation Matters, and that's why we use our media channels to visibilize strong female entrepreneurs who can inspire future generations.

Ecosystem

Once a year we hold an event called Female Circle, where leaders and female representatives meet to talk about innovation and the ecosystem.
